

CA9-98-040

### REMARKS/ARGUMENTS

All claims, except claims 17, 22 and 23, have been cancelled from the application in this amendment. Since the Advisory Action indicates these claims are now allowable and the application is otherwise in condition for allowance, it is requested that the application be reconsidered, allowed and passed to issue.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "James E. Murray".

James E. Murray - Attorney
